Child-Development Conference in Neuropsychoanalysis

DATE Saturday, September 18, 2027	LOCATION Turin, Italy
9.00-18.00 (CET)	TITLE Rewiring Early Trauma

Conference Focus

Rewiring Early Trauma: Exposure and Protective Pathways in Neurodevelopment from Fetal Life to Early Childhood

The 2nd Child Development Conference in Neuropsychoanalysis invites scholars and clinicians to a multidisciplinary exploration of "Rewiring Early Trauma: Exposure and Protective Pathways in Neurodevelopment from Fetal Life to Early Childhood".

Under the theme "Incubating the future", the conference brings together neuropsychoanalysis, developmental neuroscience, psychology, and psychoanalytic theory.

Early bird registration: 150 EUR
